To Whom It May Concern:

Re: Arthur Electric, 400 Morobel Dr., Milton, ON – Letter of Reference

Arthur Electric was contracted for the Div. 16 trade (electrical) package for the Martindale Gardens project, a retirement/assisted living residence, 45 Martin St. Milton, ON. The following are the particulars of this trade's work:

Total contract value	\$696,172
Year completed	2004
Architect	Parker Architects Inc., 214 King St. St. Catherines, David Parker Tel. 905-687-6681
Engineer	John Angus & Assoc., 416 Moore Ave., Toronto, Graham MacDowall Tel. 416-410-1553
Arthur Site Superintendent	Fred Thomas
Duration of Project	1.5 years

Arthur Electric continues to provide its reliable/cost effective services on an ongoing as required, on a time & materials basis.

We continue to respect the honesty of the people associated with this firm and the responsiveness to our requirements.

We are pleased to provide this letter of commendation and are prepared to be contacted for clarification as may be required.

Yours truly,

Karl Reichert, P. Eng.
Chairman
